

The MV *Prudence* was originally christened as the *Madeline* in 1911 and commissioned for Former Boston City Councilor and Dedham State Representative Frank Gethro. Upon completion, the *Madeline* operated until 1920 providing ferry service from Marine Park in the City Point area of South Boston to Castle Island in South Boston and other Boston Harbor Islands.

The *Prudence* received her name in 1921 when the *Madeline* was sold to the Prudence Island Navigation Company in Bristol, Rhode Island. For over four decades, ferry goers were serviced by the *Prudence* between Bristol, Rhode Island and Prudence Island, Rhode Island. Following the 1960 election of President John F. Kennedy of Massachusetts, the *Prudence* was purchased by Hyannis Harbor Tours, Inc. founders, Richard "Dick" and Robert "Bob" Scudder in 1962 and returned to its home state.

Since 1962, millions of Cape Cod tourists have been serviced by the *Prudence's* sight-seeing cruises from Hyannis Harbor to the Kennedy Compound in Hyannisport, Massachusetts. Hundreds more have been provided employment by the *Prudence's* reliable passenger service. Today, I honor the *Prudence's* role as a celebrated cultural icon and reliable employer for residents of my district.

With the celebrations of the MV *Prudence's* 100th year of service scheduled to begin on May 26, 2011, I extend my deepest congratulations to the vessel and its operators on this incredible achievement.

PERSONAL EXPLANATION

HON. CORRINE BROWN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 24, 2011

Ms. BROWN of Florida. Mr. Speaker, unfortunately, I was unavoidably detained yesterday hosting a Job Fair in Jacksonville, Florida. Had I been able to attend the vote here yesterday, I would have voted, "yea" on rollcall Vote 330. I support H.R. 1627 Honoring American Veterans Act of 2011. This bill will allow certain monuments to be placed at Arlington National Cemetery, allow for a memorial marker to honor the memory of the Jewish chaplains who died while on active duty in the Armed Forces of the United States to be placed on Chaplains Hill in Arlington National Cemetery.

On rollcall vote 331, I would have voted, "yea" to support H.R. 1383, Restoring GI Bill Fairness Act of 2011. This bill resolves a provision that certain veterans who were retroactively affected by a provision of the Post-9/11 Veterans Educational Assistance Improvements Act of 2010. The tuition these veterans were paying was increased by as much as \$10,000 a year, and they should not be penalized for a change in law after they have begun their college education. However, an offset should be found that does not penalize the housing allowances of other GI bill recipients.

On rollcall vote 332, I would have voted, "yea" to support H.R. 1657, a bill to revise the enforcement penalties for misrepresentation of a business concern as a small business concern owned and controlled by veterans or as a small business concern owned and controlled by service-disabled veterans. The bill directs the VA to establish timelines to take action to debar non veteran-owned firms who fraudulently misrepresent themselves as veteran-owned firms, and sets a mandatory 5 year debarment period.

HON. RON PAUL

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 24, 2011

Mr. PAUL. Mr. Speaker, this month towns across Texas will commemorate Motorcycle Safety and Awareness Month, which is designed to increase awareness of the unique safety issues facing motorcyclists.

Starting in 2003, the Texas Confederation of Clubs began obtaining Proclamations from Texas towns recognizing Motorcycle Safety and Awareness Month and encouraging all drivers to educate themselves about motorcycle safety issues. In 2010, Proclamations were issued in 178 cities and 11 counties all over the State of Texas and Governor Rick Perry read a Motorcycle Safety Awareness Proclamation at the state capital.

The 2011 Texas Motorcycle Safety and Awareness Month kicked off with the Texas Department of Transportation placing Share the Road and Watch for Motorcycles on all of their billboards all over Texas during the last week of April and the first week of May.

Mr. Speaker, since the Texas Confederation of Clubs began promoting Texas Motorcycle

Safety and Awareness Month, Motorcycle fatalities have decreased by 18 percent. It is therefore my pleasure to recognize Texas Motorcycle Safety and Awareness Month and to extend my appreciation to the members of the Texas Confederation of Clubs for all their work to promote motorcycle safety.

100TH ANNIVERSARY OF THE FIRST FLIGHT AT ROBERTSON AIRPORT

HON. CHRISTOPHER S. MURPHY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 24, 2011

Mr. MURPHY of Connecticut. Mr. Speaker, I rise today in recognition of the 100th anniversary of the first airplane flight at Robertson Airport in Plainville, Connecticut. A century ago this month, young inventor and pilot Nels Nelson made the first powered, sustained flight in Plainville—and one of the first in Connecticut—in a small buckwheat field in the northwest section of town. Though only a few minutes in duration, Nelson's flight marks Robertson Airport as the oldest airfield in the State of Connecticut.

Coming on the heels of the Wright Brothers' seminal launch at Kitty Hawk in 1903, Nelson's feat was the beginning of what remains a long and storied history of flight in Plainville. During the first half of the previous century, a number of small airstrips dotted the town's landscape. In fact, one location on the current site of Plainville High School was frequently utilized by Governor John Trumbull, the "Flying Governor," who was a Plainville native and pilot.

The field on which Nelson made his historic flight did not become a formal airport until 1941, when Stamford Robertson purchased the property. For years Robertson operated a flight school at the airport and remained involved in its operations, even after selling it to Tomasso Brothers, Inc. in the late 1970s. In

2009, the Town of Plainville purchased the airport, in large part to preserve this historic site and to ensure its continuation as a functioning airfield.

Today, I want to commemorate Nelson's flight and to recognize all of those who have contributed to the preservation and operation of Robertson Airport over the years. From the late Stamford Robertson and the Tomasso Brothers to the Plainville Historic Society and the Plainville Aviation Commission to the pilots, citizens, and elected officials who have supported the airport, I would like to commend all of you for your commitment to this important landmark—one that continues to be a vital and thriving piece of Plainville's history and identity.
